

MID-WINTER TRACK SEMINAR

Sunday, January 29th, 2017

11:00 am to 1:00 pm

Carolina Motorsports Park, Kershaw, SC

Have you considered participating in Carolinas Region's Drivers Education Events but have not had the opportunity to do so? Or maybe you have some questions: What to expect? Will it damage my car? Who are the instructors and how do they teach me? What do I have to do to my Porsche to participate? – If you have any of these questions or others, this event is for you! This is our annual off-track seminar to introduce the concepts behind the Carolinas Region's Driver Education Program, which is a series of high performance driving schools conducted at local tracks like Carolina Motorsports Park – IT IS NOT A RACING SCHOOL!

You will have the opportunity to casually discuss the program with instructors and club members that have been enjoying "life on the track" for years. We will discuss the operation of a Drivers Ed weekend, concentrating on what you need (or want) to know as a participant. We will also talk about some of the fundamental concepts of performance driving such as turning, braking and accelerating properly, and the vocabulary used to describe track driving. Videos and other materials will be used to give you a thorough understanding of what a weekend at the track entails. We'll discuss the roles of the instructors and how they can help you understand your car and your driving. We will discuss the safety check and tech inspection that is performed on each car to ensure a safe and enjoyable event. Finally, if time allows, we'll tour Carolina Motorsports Park.

This seminar is open to all Carolinas Region members who have not participated in a Drivers Education event, or who have very limited experience on the track. **Region members with no prior track experience will receive a \$100 rebate after completing their first Carolinas Region DE event** You MUST pre-register to receive this rebate.

Registration is Free! Space is limited!
